ABOUT CSC

CSC is a global leader in providing technology-enabled business solutions and services. CSC is also a leader in recognizing the importance of a diverse workplace. In part, that's a reflection of our size and scope: We employ 96,000 people in over 70 countries, operate major offices on four continents — North America, Australia, Europe and Asia — and work with suppliers from around the globe. In our leadership statements and elsewhere, CSC has firmly committed itself to treating all its employees and suppliers with fairness and respect. For more information, visit the company's website at www.csc.com.

ABOUT NBMBA-DC'S CORPORATE SPOTLIGHT SERIES

The Corporate Spotlight Networking Reception is an opportunity to showcase the products, services and career opportunities available within an organization. The reception is an excellent place to network, both with chapter members and others who attend our events to expand their professional network.

Register through the NBMBA-DC
Event Calendar at www.dcbmbaa.org
by November 28, 2012.
