Impact Investments for Next Generation Skillsets in America Start with You

Add BDPA to STEM, Tech, and Cybersecurity appropriations and grant proposals by partnering with National BDPA, Local BDPA Chapters, *bdpatoday*, and Popular Technology TV. Include any or all programs available within BDPA's Student I.T. Education & Scholarship (SITES) portfolio.

- **MAY 2021** — Visit GRANTS.gov for immediate teaming on new grant opportunities closing before **30 JUN 21**. Add BDPA Chapters and HBCUs to support winning Infrastructure, Cybersecurity, STEM, and rapidly emerging tech workforce proposals.
- **MAY 2021** — Visit SBIR.gov, add HBCUs and BDPA to your winning STTR teams. Pre-release sessions open to the public are ending. Proposals are accepted until **17 JUN 21** for second rounds of innovative research (SBIR 21.2) and technology transfer (STTR 21.B) opportunities for small business, college, and university partnerships.
- **29 MAY 21** — **NOMINATION DEADLINES.** Visit BDPA.org to join, renew, and update Membership/Subscription profiles. Deadlines for FY22 Internships, National or Local BDPA Chapter Officer Nominations, and By-Laws. "Stay connected" as a [financially] current BDPA Member.
- **19 JUNE 21** — Visit BDPA.org to support *Tech-Inclusion* and *Juneteenth Events* with BDPA in your community.

For over 40 years, National BDPA and Local BDPA Chapters co-host Career Days, Tech Summits, I.T. Showcases, and Coding Competitions with Industry, Sponsors, and Mission-Partners. BDPA is accepting Cyber, Tech, and STEM engagements for FY22. Email → FedSales@bdpadc.org.
